HolyPATT™

Add retro style to your next broadcast, corporate event, stage or film set with the latest edition to the PATT family, designed to give a classic warm tungsten glow with a twist of modern edge.

Light source

Tungsten LED bulb

Effects

496mm see through parabolic aluminium reflector with gold-brown coating

Again, taking inspiration from vintage broadcast luminaires, let the HolyPATT™ add gorgeous scenic elements to your show. With a timeless brushed aluminium finish, these fixtures are the perfect scenic element for set dressing or ambience.

Based on the PATT2013™, the larger HolyPATT™ features a 4W LED Vintage Soft Coil filament lamp with a colour temperature of 1.800 K to illuminate the see-through gold-brown parabolic reflector, producing a warm, atmospheric glow.

Silent in operation due to convection cooling, their ultra-smooth dimming makes them the ideal complement to any setting.

Let the HolyPATT™ add warmth and enhanced visual appeal to your life and sets!

Technical Specification

Source

- Light source type: Tungsten LED bulb
- Base: E27
- Recommended lamp type: Bell 60021 LED Vintage Soft Coil Filament 125mm Large Globe ES Cap 4W
- Lifetime: 15.000 hours
- Colour temperature: 1.800 K

Optical system

- 496mm see through parabolic aluminium reflector with gold-brown coatin

Control and programming

- External Dimmer

Thermal specification

- Maximum ambient temperature: 45°C (113°F)
- Maximum surface temperature: 160°C (320°F)

Electrical specification and connections

- Input voltage range: 120 V or 240 V, 50/60 Hz
- Power consumption: 4 W

Approvals

- CE Compliant
- cETLus Compliant

Mechanical specification

- Height: 680 mm (26.77")
- Width: 695 mm (27.4")
- Depth: 210 mm (8.26")
- Weight: 7.2 kg (15.9 lbs)
- Ingress protection rating: IP20
